PRESCRIPTION TO PREDICTION:
THE ANCIENT SCIENCES IN CROSS-CULTURAL PERSPECTIVE

October 6th-7th, 2022
Johns Hopkins University, Baltimore

The collaborative research project, *Scientific Papyri from Ancient Egypt in Cross-Cultural Perspective (SciPap)*, is pleased to announce its 3rd international conference—an interdisciplinary, cross-cultural event facilitating new research into the sciences of the ancient Egyptian, Near Eastern, and Greek worlds, focusing on medicine, astral sciences, and divination. *Prescription to Prediction* will open scholarly and public access to an extremely large, varied body of source material currently unavailable to both non-specialists and many specialists while also advancing theoretical models of intercultural interaction.
