Dear Colleagues,

We are proud to present our first installment of the **Leading Change: Perspectives from Outside of Medicine** conversation series 2022–23 on Thursday, Sep. 29, at 5 p.m. via Zoom.

Please join us in welcoming Norman J. Beauchamp Jr., Michigan State University, Executive Vice President for Health Sciences (Zoom link below). Norm will present a lecture titled *Convergences: Unleashing the Potential of Our Universities*. A Q&A session will follow the lecture.

The goal of the series is to help us think about ways to improve the patient experience at Johns Hopkins by learning from experts in other fields and disciplines.
