

BUILT TO SCALE

Seminar Series

Pioneered by Ariadne Labs, TeamBirth is an innovative approach to improve communication and teamwork in childbirth and ensure women have shared input in decision-making. Using human-centered design, TeamBirth operationalizes best practices that reduce inequities in childbirth outcomes. Join moderator Ahrin Mishan, Executive Director for the Rita and Alex Hillman Foundation, and TeamBirth Director Dr. Amber Weiseth who will share her experience scaling this novel program nationally.

Tuesday, February 7, 2023

1:00 - 2:00 PM ET

About Built to Scale series

The Built to Scale series, offered via Zoom through the Johns Hopkins School of Nursing RESILIENCE Center, explores challenges and successes in scaling evidence-based health interventions.

The contents of this webinar were developed under a grant from the National Institute on Disability, Independent Living, and Rehabilitation Research. NIDILRR is a Center within the Administration for Community Living (ACL), Department of Health and Human Services (HHS). The contents of this webinar do not necessarily represent the policy of NIDILRR, ACL, or HHS, and you should not assume endorsement by the Federal Government.
