

Debate:

TRUMP'S ACCOUNTABILITY FOR THE INSURRECTION

SNF Agora explores the question: “How should the January 6th Committee act on its findings about President Donald Trump?” in a debate setting with **Ronald Welch**, dean of the University Baltimore Law School, and **Lisa Graves**, executive director of True North Research—two legal experts who have extensive experience working in both the Department of Justice and Congress.

Be it resolved: The January 6th Committee should not issue a Criminal Referral of former President Donald J. Trump.
