

CHIT CHAT WITH A **KIT KAT** (AND A COUNSELOR)

IN-PERSON CHAT TIMES AT THE CENTER FOR DIVERSITY & INCLUSION

12-1 PM

Stop by CDI to meet the identity-based coordinators at the Counseling Center – clinicians who focus on specific populations who traditionally under-utilize mental health services. Stop by to ask questions about mental health services or about your own mental health; learn about resources; or just to say “Hi!”
