

Sydney Finch

DMC Visiting Artist

Polyester Astronaut Jumpsuit (2020)

Artist Talk

October 5, 2023 – 3-4 PM
Clipper Room, Shriver Hall

Free and open to the public

Sydney Finch is an interdisciplinary installation artist whose work explores gendered performance, labor, and healing from a non-dual trans perspective.

Grounded in a hands-on practice of sewing, they also use video, 3D modeling software, and their body to discover and manipulate the infrastructures that shape consciousness, informed by lived experience and mediated histories, queer theory and Buddhist philosophy.
