

**FULBRIGHT**  
Iceland

## **Fulbright Iceland Commission Visit**

Monday, November 27, 11am to 12pm

Levering Hall, Conference Room A

**Learn more about grant opportunities for students to do research and for faculty to teach or do research in Iceland!**

Belinda Theriault, Executive Director of the Fulbright Iceland Commission, will discuss various opportunities, including the Fulbright Arctic Initiative to stimulate international research collaboration on Arctic security. Commission visits are a great opportunity to learn about the in-country experience and what makes a strong application.
