Senior Investigator and Chief of the Section on Mood Dysregulation and Neuroscience at Intramural Research Program, National Institute of Mental Health

**Pediatric Irritability:
A review and update**

Monday, December 11, 2023

11 AM - 12 PM

Hurd Hall | The Johns Hopkins Hospital

[Zoom \(Meeting ID: 990 0206 2578\)](#)

The Leo Kanner Lectureship was established to honor the compassion, clinical care and scholarship of the founding father of child and adolescent psychiatry in the United States. His legacy of integrating clinical observations and scientific rigor in the interest of the most vulnerable, our children, serves as a model for child and adolescent psychiatrists.
