

# Discover the world of innovation with Johns Hopkins Technology Ventures

***JHTV Lunch & Learn***

**Jan. 31, 12-1PM | Darner Room, MRB**

Do you wonder how your innovative ideas can make a real-world impact? Now's your opportunity to learn how to transform your research into groundbreaking innovations!

Johns Hopkins Technology Ventures (JHTV) will introduce you to technology transfer and outline how we help translate your ideas and research into products and services that can change the world.

***Lunch & Learn is open to Johns Hopkins faculty, students, or staff ready to take the plunge into the world of technology transfer & commercialization.***

## **ATTEND TO LEARN**

- JHTV's role in technology transfer
- Assistance we provide with patents, licenses, and commercialization
- Success stories of impactful innovators
- Intellectual property protection process
- Translational funding opportunities

**Space is Limited — RSVP Today**
