

Sip & Solve: **AI Lightning Talks with a Twist**

PRESENTED BY JOHNS HOPKINS DATA SCIENCE AND AI INSTITUTE

Join us for an engaging evening of intellectual exploration and networking at "Sip & Solve: AI Lightning Talks with a Twist." This unique event brings together three distinguished faculty members from Johns Hopkins University to share insights into their work at the intersection of artificial intelligence (AI).

Feb. 22 | 5:15 to 7:00 pm | Gilman Hall Atrium

Don't miss out on this unique blend
of intellectual talks and socializing.
RSVP now for "Sip & Solve"—
where AI meets community!
