

The Five Paths to LeadershipSM

YOUR JOURNEY TO
LEADERSHIP EXCELLENCE

In the ever-evolving landscape of higher education, leadership demands dynamic adaptability. Achieving this requires a deeper understanding of how you and your colleagues show up as leaders and how behavior changes under stress. The Five Paths to LeadershipSM gives you language and a framework to use to improve collaboration and an intuitive tool to help you lean into and strategically embrace other styles when needed. Thousands of higher education leaders have already reaped the benefits of this dynamic model, and now it's your turn!
