

Not just new benefits. Best-life tools.

When you have the right support, everything else falls into place. Your employer has partnered with Bright Horizons® to offer care benefits that help you take care of those who matter most.

Back-Up Care:

When your regular caregiver is sick, school is closed, your aging relative needs help, or any time your regular care arrangements fall through — don't stress. Book trusted back-up care to fill the gap so you don't have to miss a day of work.

- Access to annual back-up care uses of 10 days per employee
- Subsidized and made affordable with low copays
- Reserve high-quality child care center, a school-age camp, or your own home
- Support for your adult and elder relatives in your home or theirs
- Make reservations up to 90 days ahead (or last-minute!)
- Instant booking for quick and easy reservations
- Multiple options for reserving care, including the back-up care website, via the back-up care mobile app, or over the phone with the contact center available 24/7/365

Curated Marketplace:

Access a variety of family care resources and education support offerings — with exclusive savings and discounts. These benefits are self-sourced and paid for by you.

- Free premium membership to Sittercity® to find babysitters, housekeepers, pet care, and more
- Tools and resources for new and expecting parents
- Personalized support finding vetted nannies and on-call sitters
- Elder care resources and tools, including an online needs assessment
- Summer and school break camps, plus before- and after-school programs
- Tutoring, test prep, STEM, and enrichment programs for children
