

Family Building

WEBINAR SERIES

March 31 - April 4, 2025

Register for webinars and watch past sessions on demand:

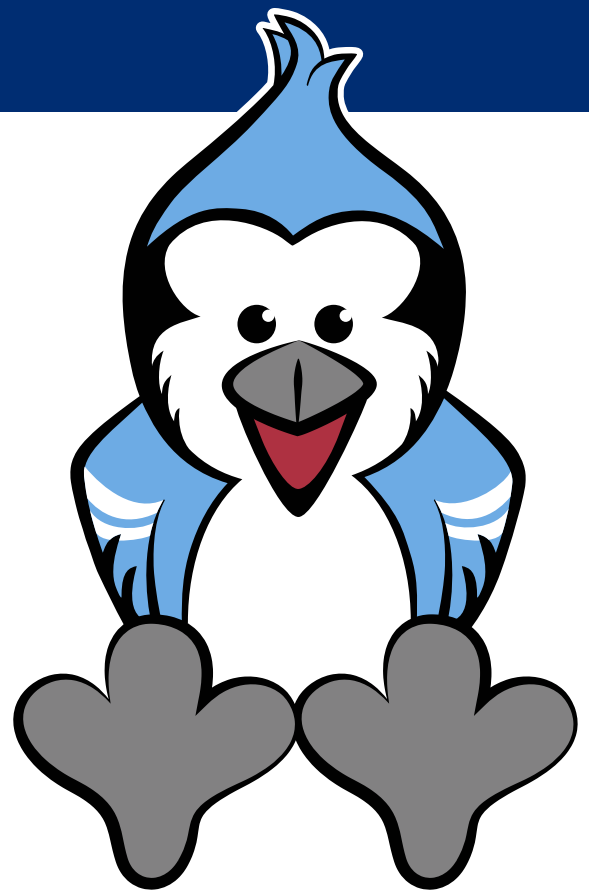

hr.jhu.edu/family-building

Planning, expecting, and new parents working in the university and health system will be able to learn about their benefits and leave policies.

Watch presentations on Worklife programs that provide lactation support and help with finding and paying for child care.

Hear from experts in reproductive health, child care, and more.

Tune in to webinars that support wellness and mental health.

Family Building events support staff as they navigate benefits, leave and resources related to:

- Family
- Adoption
- New Parents
- Expecting
- Surrogacy
- Planning
