

INNOVATION TRANSLATION COUNCIL LAUNCH

JOHNS HOPKINS
BLOOMBERG SCHOOL
of PUBLIC HEALTH

research@BSPH

Join the discussion at the launch of the Innovation Translation Council, presented by research@BSPH. Phillip A. Sharp, MIT Institute Professor Emeritus, 1993 Nobel Prize laureate, and co-founder of Biogen, will deliver a keynote speech: **Innovation through Biotechnology: Convergence with Engineering and AI in Public Health.**

Before the launch, attend a screening of **Cracking the Code**, a documentary detailing Sharp's discovery and his role in the biotech revolution.
