Menopause Matters: Your Guide to Confident Care

December 3rd 2025 at 1:00 pm

Join the [Meeting Menopause with Moxie Networking Group](#) and special guest Dr. Gordon-Phillips for the group's last meeting of 2025. Dr. Gordon-Phillips will use her expertise to share ways to find a menopause specialist, what a menopause consultation is, which screenings you should be getting, as well as how to be a good consumer and be able to discern fact from fiction for common treatment options.

Ashley Gordon-Phillips, M.D., M.P.H. is currently completing the Johns Hopkins Advanced Specialty Training Program in Women's Health to prepare for her future career as a primary care physician with a special focus in reproductive health.
