Engage in Career Development

Career Clinics are designed for Hopkins staff to provide structure and guidance around foundational career needs.

Create an Action Plan

- Prepare your professional materials
- Attend workshops, and
- Participate in 1:1 consultations.

Resume Writing

Get templates, strategies, and tools to update your resume effectively.

Networking & Job Search

Rethink your ability to use your curiosity, community, and skills to explore your professional development and career options.

LinkedIn

Leverage LinkedIn's algorithm; enhance visibility, influence, and engagement effectively.

Elevator Pitch

Learn to advocate for yourself in clear and compelling ways to showcase your value and impact.
