ZOOM DISCUSSION | MARCH 26TH, 2020 @ 8PM

The Parkway Theatre annually hosts The Maryland Film Festival and their program Baltishorts includes a well crafted selection of films made in Baltimore, by Baltimore, about Baltimore. These films will give you insight into the juxtaposition that is Baltimore and hopefully encourage you to become an engaged member of our community. These films will be available for viewing March 14-26 and will conclude with a conversation led by Clarke Lyons Film & Media Studies, AAP '19 and Associate Producer of *Sage* & JHU Film & Media Studies Program Faculty Matthew Porterfield.
