Research Experiences for Undergraduates (REU) Presentations

An NSF Funded REU Program in Computational
Sensing & Medical Robotics

AUGUST 6, 2021 | 9:00AM-3:00PM
<https://wse.zoom.us/j/99847305135>

Come watch REU students present their projects!
Students researched for 10 weeks during the summer,
and projects range across topics in Electrical and
Computer Engineering, Mechanical Engineering,
Computer Science, and Biomedical Engineering.
