

Francis D Carlson

Francis D. Carlson Lectureship in Biophysics

John Kuriyan

Chancellor's Professor
University of California,
Berkeley

"Studying the Evolvability
of a DNA Polymerase
Clamp Loader by Deep
Mutagenesis"

Monday, May 9, 2022
4pm

Mergenthaler Hall, Room 111
Homewood Campus

For further information,
please contact Liz Wilson at
410-516-7245 or e-mail
ewilso75@jhu.edu

Established by the Carlson family
Sponsored by the Thomas C. Jenkins
Department of Biophysics
Johns Hopkins University
