

GENDER IN THE PANDEMIC

THE GENDERED IMPACTS OF COVID-19: SPOTLIGHTING NAIROBI YOUTH VOICES AND EXPERIENCES

WEBINAR • FEB. 10, 2021
9AM-11AM BALTIMORE • 5PM-7PM NAIROBI

Join us to learn about the high demand for gender data during COVID-19 and to see the emergent results from a recent study on the social, economic, and gendered impacts of COVID-19 on Nairobi youth. A panel discussion among gender experts in Nairobi will address how the pandemic has affected young people, their current challenges and needs, and how we can empower youth and help them recover. Nairobian youth will also share their personal stories from the pandemic.
