

RACE, IDENTITY, AND IDEOLOGY

Part of our “SNF Agora Conversations: Diversity and Democracy” fall series

Richard Alba, author of *The Great Demographic Illusion: Majority, Minority, and the Expanding American Mainstream*, and SNF Agora Visiting Fellow **Musa al-Gharbi** discuss the ways in which an oversimplified understanding of racial identity can lead to mistaken assumptions and exacerbate already difficult racial divides. FiveThirtyEight politics reporter **Alex Samuels** moderates.

Wednesday, September 29 | 7 to 8 p.m.
