

Students: Celebrate Earth Day with pastries and drinks provided by ROSEI, JHU's new sustainable energy institute!

You're Invited:

ROSEI

Student Earth Day
Celebration

4.22.22

10:30 AM – 12 PM

Great Hall at Levering

Free pastries and drinks will be available. Anyone can attend!

Water Bottle Contest!

ROSEI is looking for designs from any JHU student, faculty, or staff member for our first water bottle!

The contest's prompt: "What does sustainable energy mean to you?" Get creative with it!

Please note: Refrain from using licensed elements (such as the shield or JHU name) in the design.

Submissions should be sent in as a .JPG file by April 20 to energy@jhu.edu.

Email subject should be "Earth Day Design Submission." Please include your name and email in the message.

You can use any digital platform for this purpose or even paint/sketch your design on canvas or paper, but the submission will have to be scanned in high resolution.

Voting will happen at the Earth Day lunch. Winner will receive a free water bottle with their design on it!
