

JOHNS HOPKINS
MATHEMATICAL INSTITUTE
for DATA SCIENCE

TRIPODS

Winter School & Workshop

Foundations of Graph & Deep Learning

Organized by the Johns Hopkins Mathematical
Institute for Data Science

JAN. 6TH-8TH & JAN. 13TH-15TH, 2021
12PM-5PM EST

Aiming to bring together experts in machine learning, statistical inference and learning on graphs, and optimization to share basic principles, recent research results, and practical ideas, on the foundations of graph and deep learning.
