

# In celebration of International Day of Persons with Disabilities: **Wikipedia Edit-a-thon** **for Disabled Scientists**

**December 3<sup>rd</sup>, 2021**

Zoom event 3PM-5PM

## Do you want to.....

- learn how to create and edit Wikipedia pages?
- promote the inclusion and representation of people with disabilities in science and medicine?
- meet other individuals with similar interests?

If so, join the Equal Access in Science and Medicine Committee and the Advocates for Disability Awareness for this free virtual workshop!

**Disability Health  
Research Center**

## Register!

<https://bit.ly/3EZMioW>

This event is sponsored by the Johns Hopkins Disability Health Research Center.

The workshop will be facilitated by the 500 Women Scientists organization.

CART captioning will be provided. For other disability-related accommodations, please contact Nicole Pannullo.
